Gyration®

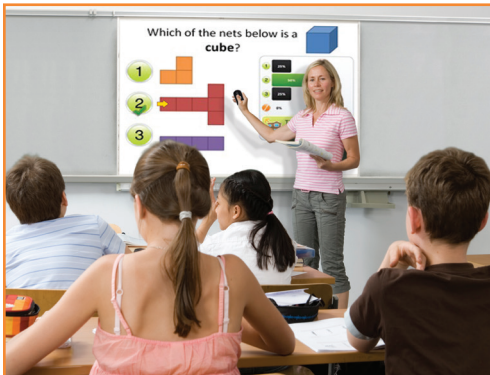

AIR MOUSE®

GO PLUS

More Than a Mouse

Works in the air, from your couch and on your desk. The Air Mouse® GO Plus combines a mouse with the power of a gyroscope to provide true in-air computer control.

In the Office or Classroom

Whether you are teaching or giving a presentation, the Air Mouse® GO Plus puts you in complete control and helps you make your point with powerful MotionTools® software.

On the Couch

Watch movies, listen to music and browse the Internet from anywhere in the room. Enhance your home entertainment experience with the Air Mouse® GO Plus.

- Includes MotionTools® presentation effects software

Gyration
